Orchidview

Orchid Nursery

Orchidview is the home of Phal. violacea 'Gulfstream Blue' a truly indigo color phalaenopsis. We are offering six different crosses of progeny from this line of breeding. Also have many hard to find species.

Phal. H.P. Norton is a breakthrough in breeding red hybrids.

The cross received an AQ/AOS, 4 AM/AOS and one

HCC/AOS in 2004. We have been busy using it in our

breeding program for the last four years and have a greenhouse full of its progeny.

Please look at the offerings we have on our website which include Phrag. kovachii seedlings as well as hybrid crosses with Phrag. kovachii.
